

PEF MEMBER
Flood Relief Application

Delegates at PEF's 2011 Annual Convention donated \$3,000 to aid members who suffered uncovered flood damage from Hurricane Irene and/or Tropical Storm Lee. Equal shares of this fund will be distributed to members with three-thousand dollars (\$3,000) or more in documented losses related to the flooding.

Please read and follow the directions for completing this application. Note: The deadline for applications submission is March 1, 2012. The fund will be distributed in equal shares based upon the number of valid applications received.

I _____ (*print your full name*) affirm that I am a PEF member and as a result of the flooding related to Hurricane Irene and/or Tropical Storm Lee, I have incurred the following expenses for the repair, rehabilitation, or replacement of my personal residence and/or its contents (*list the types of expenses and dollar amounts*):

I understand that I am required to submit available receipts for repair, rehabilitation, or replacement of my personal residence and/or its contents, or any other available documentation, evidence, data, or other information in support of my application as the Trustees may consider necessary or desirable to determine my eligibility for a flood relief payment (please attach available receipts to this application).

I understand that my signing this application does not automatically entitle me to receive a PEF Member Flood Relief payment.

By signing this application, I certify, under penalties of law, that I have incurred the above referenced itemized losses. The Trustees of the NYSPEF may rely upon that certification.
