

Your company's workers' compensation insurance carrier is The New York State Insurance Fund (NYSIF), which has a contract with CVS Caremark, a pharmacy benefits manager (PBM) that offers convenient prescription filling services.

NYSIF has implemented an instant enrollment or "short-fill" service with CVS Caremark. The new service allows injured workers immediate acceptance by any pharmacy in the CareComp pharmacy network administered by CVS Caremark. Although New York law does not require us to provide this benefit, we have elected to provide a limited number of cost-effective medication benefits for new claims filed for **work-related injuries or illnesses** in order to help injured workers get through the first, difficult days after an injury and before the claim is accepted.

When an employee sustains a work-related injury, the form on the other side of this page (Workers' Compensation Temporary Prescription Services ID) may be used to fill prescriptions at any participating pharmacy in the CareComp Network of CVS Caremark. It makes **getting prescriptions for your work-related injury** very easy.

Step 1: Employer fills in:

- Employer's Name
- Policy Number

Step 2: Injured employee fills in his/her:

- Social Security Number
- Date of Injury
- Date of Birth
- Name
- Mailing Address

Step 3: Injured employee brings to pharmacy:

- Completed temporary ID form
- Prescription(s) for work-related injury

Step 4: Within 10 days of the New York State Insurance Fund's confirmation of the accident, the injured employee will receive a packet from CVS Caremark. The packet will contain a permanent ID card that should be used when filling prescriptions for the work-related injury.

Note: Injured workers can quickly find local participating pharmacies by visiting:

<http://www.wcrxpharmacylocator.com> or by calling the CVS Caremark 24-hour patient care hotline at 1-866-493-1640.

NOTIFICATION CONCERNING WORKERS' COMPENSATION PHARMACY BENEFITS

Please read this notice carefully. It provides you with important information on getting medication under a workers' compensation claim with the New York State Insurance Fund (NYSIF).

NYSIF has entered into an agreement with CVS Caremark, a Pharmacy Benefits Manager (PBM), which has a network of pharmacies to make available the medications workers may receive for their **work-related** injury or sickness. This does not change your right to get the medication necessary to treat such an illness or injury. It only means that you **must** obtain that medication from a participating pharmacy in the CareComp pharmacy network administered by CVS Caremark. This network is not limited to CVS pharmacies, but includes more than 67,000 participating pharmacies. The pharmacies and their addresses can be obtained by:

- calling the CVS Caremark Call Center at **(866) 493-1640**, or TDD number for the hearing impaired at **(866) 200-2161**
- using the website www.wcrxpharmacylocator.com
- using the NYSIF website nysif.com/networkbenefits

If you are obtaining your medication through a workers' compensation claim, you **must** obtain that medication from one of these pharmacies unless:

- You have a medical emergency and it is not reasonably possible to purchase the medications you need for that emergency from a network pharmacy, or
- Ordering by mail or telephone is not an option in the network, no pharmacy in the network will deliver to you, and none of these pharmacies is within 15 miles if you live in a rural location, or five miles if you do not live in a rural location. If you believe this is the case for you, please call one of the numbers on the bottom of this page.

Please note that CVS Caremark has mail-order, internet and telephone services. Instructions can be obtained by calling the CVS Caremark Call Center at (866) 493-1640.

All pharmacies in the network are required to keep a sufficient stock of medication on hand so that they can service you without undue delay.

All in-store pharmacies must be open for business during hours that are typical in your community.

Pharmacies in the CareComp pharmacy network will bill NYSIF directly. **You will not have to pay out-of-pocket costs for medication.**

You may obtain additional information about the CareComp pharmacy network by calling the toll-free, 24-hour telephone number: (866) 493-1640.

If you have any questions or problems, please call NYSIF at (888) 875-5790.
