Trainings

The PEF Health & Safety Department offers a wide variety of training opportunities for PEF members and Leaders. Training may include management, other bargaining units, various state agencies and/or any entities that will promote cooperation and understanding of H&S concerns in your workplace.

Workshops are conducted at members' worksites, PEF Regional Conferences, Agencies' Conferences, and online. Each training is tailored to meet the specific needs of the group requesting them. If you are interested in one of our trainings, please contact us at HealthandSafety@pef.org or 1-800-342-4306 ext. 254 and a Health & Safety Specialist will assist you.
