PARKING SAFETY TIPS

VEHICLE SAFETY

- Be aware of your surroundings—increase your awareness of your safety as you exit or enter your car.
- Park near lighted areas, emergency phones, or attendant's booth.
- Walk with a buddy.
- Keep valuables, including purses, purchases, and devices out of sight.
- Always lock your doors.

SLIPS, TRIPS, AND FALLS

- As you make your way to or from your vehicle, be aware of slip, trip, and fall risks.
- Avoid uneven areas of roadways or walkways.
- Whenever possible, take sidewalks or other authorized pathways.
- Wear suitable footwear with good traction to help avoid slipping.
- When walking in bad weather, go with extreme caution.

REPORTING

- Report all incidents to your agency management and PEF H&S Committee.
- Immediately report injuries to your employer and file for Workers' Compensation benefits if injured.
- Report any parking incidents to the parking facility management immediately.
- Report any parking incidents to the PEF Parking Committee at **parking@pef.org**.

FOR EMERGENCIES

- Employees should be prepared to call for help, so have your phone ready.
- Have emergency contacts saved as contacts in your phone.
- Call 911 in case of an emergency.
