- To provide newly elected officers with the basic information needed to run a division
- Insight on the frequent mistakes we come across

BEST PRACTICES OF DIVISIONS IN GOOD STANDING

2. Maintains a financially responsible council - **SUPPORTIVE**
3. Provides all itemized receipts, attendance lists and proof of approval quarterly - **ORGANIZED**
4. Completes sign offs in Works program on a frequent basis – **FOLLOW-THROUGH**
5. Regularly in contact with division members - **COMMUNICATION**

DIVISION FUNDING

- Per Capita Payments are deposited every quarter
 - Payments are made at the end of June, September, December, and March
- Reporting needs to be up-to-date in order to receive your divisions quarterly allotment
- You need to have a financially responsible council in order to be eligible for payment
- Your division must not be over the max in order to receive payment
 - Over the max means a Division's balance may not be more than:
 - the sum of the last four quarterly payments
 - or \$5,000 (whichever is greater)

QUARTERLY DEPOSIT CALCULATION

- The calculation to determine each per capita payment is based upon the members on file as of the prior quarter, which can be found on the “Quarterly Member Counts” listing provided in the quarterly mailing
- Current per PEF Member amount (November 2018):
 - \$31.40 for first 200 members per year or \$7.85 per member per quarter
 - \$25.12 for members over 200 per year or \$6.28 per member per quarter

BUDGET

- PEF's Fiscal Year runs from April 1st - March 31st
- Budget is to be approved by the Division Council on or before April 1st
- Approved budget is due to PEF Finance by April 30th with meeting minutes showing approval
- Penalties begin to accrue on June 1st

- Don't forget to include your estimated April 1st beginning balance

AUDIT FORM

NYS Public Employees Federation Annual Report of Division Audit Committee

Fiscal Year _____
Division _____

In accordance with Article IV, Section 2 of the Model Constitution, all Divisions must audit their Financial Records for an annual period beginning on April 1 and ending on March 31. The objectives of an audit are to:

1. Confirm that all assets (ie. cash, equipment, furniture) of the Division are properly protected and accounted for.
2. Ensure that all funds owed to the Division are received by the Division; all funds disbursed by the Division were for proper and approved expenses; and that all financial transactions of the Division have been properly recorded.
3. Determine if the budget adopted by the Division is properly adhered to; and the financial reports prepared by the Division accurately reflect its activities for the past fiscal year and its current fiscal condition.
4. To ensure that the Division membership is kept informed and aware of how Division funds are used and accounted for.

The audit is to be conducted by a committee of at least three Division members (not non members) appointed by the council no later than April of each year. Only one member of this committee may be either currently serving as a steward or officer and/or have served as such during the audit period, although there is no requirement that they be part of the committee. The purpose of the rule of "only one steward or officer" is to provide a greater degree of independence and objectivity in the performance of the audit. A Division may not compensate the audit committee for its services, though expenses encountered by the members while performing the audit may be reimbursed.

The following is an Audit report form which is to be used and completed by the audit committee. It is designed to provide a comprehensive review of a Division's finances. You will note that responses to all questions must be made. If a question is not applicable to your Division, this should be indicated in the space provided. A completed audit report must be submitted to the Divisions Finance Office by the date specified in the letter that was sent to your treasurer with this report. If this report is late, the deposit of your Division's quarterly funding will be suspended until the report is submitted. If this report is delinquent thirty days or more, your Division's quarterly funding will be penalized.

If this report is not filled out properly and completely, it will be returned for proper completion and treated as if it was not received.

1. The questions below are related to the operating guidelines established by the PEF Executive Board and included in each Division Constitution. Explain any questions answered no.

A. Are minutes of the proceedings of each division and council meeting recorded and made available?

B. Have copies of all approved motions regarding division finances been furnished to the division treasurer?

- Make sure questions 1 A and B are completed
- Remember the treasurer cannot sign the audit and only one steward can be on the audit committee

- Debits are funds going out of your division

Note: The ending balance will show with parenthesis if you have a positive balance

MAKING CHECK REQUESTS

- If your division needs a check rather than using the purchase card, a request can be made to PEF Finance via email to hmccarthy@pef.org
- In the email you should provide: who the check should be made payable to, the amount, and the purpose for the check request
- Where applicable - supporting documentation including but not limited to: attendance lists, receipts, proof of approval (meeting minutes/email chain of approval), and event fliers, will be requested
- Check requests may only be made by the Division Treasurer or Council Leader

BOA WORKS SIGN OFFS

- It is important that two users consistently review and sign off on transactions in Bank of America Works
- Sign offs are a two step process:
 1. The person who made the purchase logs in and signs off on the transaction leaving a comment/description as to what the purchase was for
 2. The second user reviews the transaction and comment. If happy with the purchase the second user then closes the transaction
- Timely review will allow you to notice any unauthorized or fraudulent purchases as they happen and not several months later
- It is highly recommended that the Division Treasurer not have a purchase card and only act as the second reviewer in the sign off process
