Note:

Currently, there are no mandates for the meeting venue which means that your attendance will be dictated by how comfortable you feel regarding an indoor, in-person meeting. New York State statistics show that a majority of Seniors in the state have been vaccinated so you will not be asked for proof of vaccination and masks will be optional according to your comfort level. The luncheon meeting is being held in a large room where tables will be widely spaced and limited to 5 people per table.

If you feel that the above conditions do not allow you to feel comfortable and safe, then you do also have the option of not attending. The Chapter Officers and Activists will be closely monitoring the Covid infection rates for all Chapter 9 Counties (Rockland, Westchester, Sullivan, Orange, Ulster, Dutchess, and Putnam) and in the event of a major spike in the infection rates for those counties, you will be notified of any cancellations prior to the meeting date.
