**Note:**

***Currently, there are no mandates for the meeting venue, which translates into your attendance will be dictated by how comfortable you feel regarding an indoor, in-person meeting. New York State statistics show that most Seniors in the state have been vaccinated so you will not be asked for proof of vaccination, and masks will be optional according to your comfort level. If you feel that the above conditions do not allow you to feel comfortable and safe, you may decide not to attend. The Chapter Officers and Activists will closely monitor the Covid infection rates for all Chapter 9 Counties (Rockland, Westchester, Sullivan, Orange, Ulster, Dutchess, and Putnam). In the event of a major spike in the infection rates for those counties, you will be notified of any cancellations before the meeting date.***
