RE: 2024 Annual Option Transfer and Pre-Tax Contribution Program Election Period

The Empire Plan and HMO premium rates for 2024 have been finalized by the Department of Civil Service. Pursuant to the authority established in New York State *Insurance Law* §§4235 (j)(1), (2) and (3), Empire Plan premium rates are adjusted annually based on enrollee utilization and projected costs. These rates are not negotiated by PEF. PEF negotiates the level of benefits and the employee/state premium percentage cost share, which has not changed from 2023 to 2024.

For PEF-represented employees in titles allocated or equal to Salary Grade 9 and below the State will pay 88% of the cost of the premium for individual coverage and 73% for the additional cost of family coverage. For PEF-represented employees in titles allocated or equal to Salary Grade 10 and above the State will pay 84% of the cost of the premium for individual coverage and 69% for the additional cost of family coverage.

The Option Transfer Period will run from November 30, 2023, through December 29, 2023.

The 2024 Empire Plan premium rates for PEF-represented active employees and all other applicable ratified unions are indicated in the tables below. HMO rates are attached to this memo.

Enrollment, Changes, and Informational Pieces:

Active Employees can submit and make changes to all health benefits online using MyNYSHIP: <https://www.cs.ny.gov/mynyship/welcome/>. If employees do not make changes online, they must complete the PS-404 form in order to enroll or make changes to benefits. Any changes must be submitted online or to your agency Health Benefits Administrator (HBA) for processing no later than December 29, 2023.

Option Transfer information such as premium rates and side-by-side plan comparisons can be found on the Department of Civil Service web site at <https://cs.ny.gov/employee-benefits>. Select your group (PEF) if prompted, and then click on Health Benefits & Option Transfer. Choose Rates and Health Plan Choices. This information is also available on the PEF website: <https://www.pef.org/benefits/>, Health Benefits News.

Young Adult Option (YAO):

The Open Enrollment period for the YAO will coincide with the annual Option Transfer Period. The YAO provides coverage to children of NYSHIP enrollees, up to age 30. For additional YAO information, employees may visit: <http://www.cs.ny.gov/employee-benefits/young-adult-option/>.

It is important to look at more than premium rates when selecting or remaining with an HMO. PEF (and other state employee unions) only negotiate the benefits and other elements of plan design for the Empire Plan. PEF does not negotiate the benefits that HMOs provide. HMOs are allowed to change benefit levels on an annual basis, independent of the negotiated Empire Plan benefits. For this reason, we always recommend that HMO enrollees review their plan options carefully each year during the Option Transfer Period.

The actual percentage of rate change for the HMOs varies by Plan and coverage type (Individual vs. Family). The change in the employee deduction for each HMO can vary due to the impact of the HMO premium “capping” formula. If a PEF-represented state employee enrolls in an HMO, the State’s dollar contribution for the non-prescription drug components of the HMO premium will not exceed the state’s dollar contribution for the non-prescription drug components of The Empire Plan premium. The enrollee must pay 100% of the premium amount exceeding the cap.

If you have any questions about the rates, please contact Erika Frasier in the Contract Administration Department (x283) at PEF headquarters.
